

Date of study

Enter when study happened here (e.g., January-June, 2015)

Date of Public Archiving:

Enter when data should be (or was) publicly-archived following lab data management plan.

Last modified:

Update this whenever you alter the file.

Goal

Short statement on reason for study

Contributors

Give names and contact information of main personnel involved in project.

General Files

File	Where	What
Explain what is in the file	Give a backed-up place where the data are (e.g., Wolkovich Lab Google Drive, WeldShare, Odyssey lab folder; github is okay). Link to item if possible	Explain what is in the file

Data and Code

Give info on how to track down all locations given in table below (even if link fails). Two good examples given below -- delete these for your file!

Github <https://github.com/lizzieinvancouver/buds/tree/>

W: drive WeldShare > Wolkovich Lab > Budburst Experiment 2015

File	Where	What
Explain what is in the file	Give a backed-up place where the data are (e.g., Wolkovich Lab Google Drive, WeldShare, Odyssey lab folder; github is okay). Link to item if possible	Explain what is in the file

Possible extras:

Any amendments to when public archiving happen should mentioned here and an asterisk given above where archiving date is given.

Be sure all your data is somewhere where it is backed up as per the data management plan.

Check this file for accuracy, and update as needed, every 6 months or sooner.
